

Tigette Grade Check

ATHLETE'S NAME _____

GRADE: 7th 8th 9th 10th 11th (*circle one*)

DUE DATE: _____

Teachers: The above named student is trying out for the Tigette program. In order to help determine his/her academic eligibility, would you take the time to indicate his or her current, cumulative grade in your class? If there are assignments or test scores missing that would prevent you from entering a passing grade, then that grade should be recorded as a failure, rather than leaving it blank. The Tigette coaching staff greatly appreciates your help in making sure our members are achieving academically. If you have any comments you do not feel comfortable writing on this sheet, please email BATigettes@gmail.com
